Available in solid marble and terrazzo options, Azzurra vanity from **Industry West**, shown in pink terrazzo, enhances the bathroom with its vibrant hues and distinctive details. [INDUSTRYWEST.COM](http://INDUSTRYWEST.COM)

2

Groove by **Turf** comprises sweeping arcs and carved lines, creating a sense of movement across panels. Like the grooves on a vinyl record, sound is drawn to the hypnotic pattern. [TURF.DESIGN](http://TURF.DESIGN)

3

OmniRoom is a new room-in-room system of 13 prefabricated modules developed by **Mute** for hybrid work environments. Equipped with integrated ventilation, lighting, and electricity, the collection includes 30 pieces. [MUTE.DESIGN](http://MUTE.DESIGN)

4

The metal frame of Baltea, designed by Marco Zito for **Bross**, enhances the curvature of the seat to create a buttonhole on both sides. The concave shape is accompanied by a cushion that overlaps the shell for an ergonomic and decorative effect. [BROSS-ITALY.COM](http://BROSS-ITALY.COM)
