KBIS Sneak Peek

**1.** Transitional by design, the Edalyn Kitchen Faucet Collection from **Kohler** x Studio McGee is characterized by a distinguished, high-profile spout that is complemented by stacked detailing and clean lines. The collection embraces practicality, providing a range of spray types to cater to diverse needs. The line features a range of pull-down faucets, bridge faucets, pot fillers and more.

**2.** **Signature Kitchen Suite's** ENERGY STAR certified 48" Built-In French Door Refrigerator combines technology and performance into a sleek, functional design, notes the firm. It is equipped with innovative features such as a convertible drawer that offers five preset temperatures ranging from 41° F to -7° F, allowing for precise food preservation. The refrigerator features a spacious and versatile interior featuring Lift and Go drawers, adjustable door bins, easy-to-read digital controls and LED lighting.

**3.** The Plateau cabinet hardware collection from **Stone Harbor Hardware** features a crisp, linear design for a modern look. The collection, which includes six pulls in lengths from 96mm to 256mm, includes pulls that feature a gently rounded back for an ergonomic fit and visual interest. Plateau is available in satin nickel, matte black and vintage bronze.

**6.** **Ruvati** has infused fresh colors into the bath with new finish options for the epiStone series of oval bathroom sinks. In addition to matte black and classic white, Ruvati now offers Avocado Lime Green, Pacific Blue and Sedona Clay, a light pink. Made in Italy by skilled artisans, epiStone sinks are crafted from 70% crushed natural stone and minerals blended with proprietary resins. Its non-porous surface is easy to maintain and features a satin finish. The sinks are available in two models: the Canali, which has a curve to the vessel base, and the straight-sided Omnia.

**7.** **Doug Mockett & Co.'s** PCS127 allows for a choice from three power outlets, one USB-A port and one USB-C port, plus a wireless charging top plate. Its clamp mount makes it easy to install anywhere, notes the company, by simply placing the edge mount on any desk, table or counter and tightening the clamp. No tools are needed.

**8.** To meet the need for specifically designed areas for furry family members, **Perlick** offers its 24" Dual-Zone Refrigerator/Freezer Drawers as a functional and designated storage area for fresh food ingredients, refrigerated meals, and frozen treats for pets. The shift towards healthier refrigerated meals and raw food diets for pets means there's a need for more refrigerated storage, and this undercounter fridge/freezer combo can keep food separate from the family refrigerator.

**9.** **Ashley Norton** now offers a new Hammered Finish that is hand-forged by skilled artisans, with each piece featuring unique hammer marks for a rustic, relaxed feel. The hammered finish is available for an array of Ashley Norton decorative hardware pieces, including edge pulls, various cabinet knobs and pulls, as well as the Bauhaus pulls.
