## 2020 DIRECTORY & BUYERS' GUIDE

A Year-Round Reference to Products & Suppliers

**MARBLE INSPIRED PORCELAIN**

**Fiandre**, part of the **Iris Ceramica Group**, has introduced Royal Marble, its first U.S. production of marble looks and slabs in porcelain. The collection, designed in Italy, includes both large and traditional formats. Royal Marble is highlighted by the signature vein patterns and fine white lines that cut across the surfaces, available in six shades from bright white to deep gray in polished and honed. **RAINBOW-EFFECT HARDWARE**

Linear is a range of small-scale cabinet handles from **Buster + Punch** that are inspired by fashion accessory hardware. Diamond-milled from solid metals, the range features a new signature linear knurl pattern and machined torx screws. The L-Bar is available in two new finishes – Gun Metal and Burnt Steel (shown). Burnt Steel is inspired by heat of a motorbike’s exhaust. No two finishes are alike. Circle No. 206 on Product Card

**BRIDGE KITCHEN FAUCET**

Available in 27 unique finishes and constructed of solid brass, the new Duncan Bridge Faucet from **Newport Brass** combines vintage details with a modern silhouette. Designed to be the centerpiece of today’s industrial themed kitchen, Duncan achieves aesthetic balance by combining modern engineering with organic shapes, notes the firm. **MODERN VANITY**

Sporting a geometric silhouette highlighted in metal trim, **Icera’s** Muse freestanding vanity includes two lower drawers with a tilt-out drawer above. Part of the Muse collection, the vanity is solid wood throughout and showcases metal feet that coordinate with the decorative trim. Finishes include traditional shades like walnut brown, matte white and matte black, as well as more trendy options such as ocean gray, gloss white and blue. Circle No. 211 on Product Card

**YELLOW GRANITE SINK**

Inspired by the bold yellow of Italian sports car maker Ferrari, **Ruvati** has added Midas Yellow to its color options for its epiGranite series of Italian-made kitchen sinks. Made from 80% crushed natural granite, the sinks are enhanced with a proprietary resin that makes them non-porous and resistant to stains, bacteria and extreme temperatures, notes the company. They are available in 10 ingrained colors that run all the way through for a consistent look. Circle No. 210 on Product Card

**WINE COOLER**

**Vinotemp** has launched a 41-Bottle Single-Zone Wine Cooler available in three finishes – white, black and stainless steel. The cooler includes the company’s patented Backlit panel interior lighting with three LED options: Heliotrope, Amber and Vinotemp BioBlu. The customizable temperature control allows for adjusting the temperature from 39°F -65°F. Six pull-out, label-forward VinBo Wine Racks provide storage. Circle No. 212 on Product Card

**HOLOGRAM-LOOK TILES**

Glow, the latest collection from **Nemo Tile + Stone**, is an iridescent, white body ceramic wall tile finished in chic pastel shades: Rain (light blue), Blush (light pink), Vanilla (white) and Snow (white). The collection’s color offerings all include a hologram option containing a mixture of each shade. The effect mimics a rainbow mirage, notes the company. The collection’s tiles are offered in both a matte and glossy finish and come in 2”x10” format. Circle No. 213 on Product Card
