Entry hardware makes worthy impression

ASHLEY NORTON presents the Rectangular Suite, a simple yet elegant entry set featuring a clean rectangular shape with a beveled edge. Users can select from an array of meticulously styled escutcheons, levers and knobs to create a welcoming look reflective of their personality. Each element of the Rectangular Suite is handcrafted from art-grade bronze or solid brass. And with a variety of artisan-applied finishes, the suite complements and enhances the appeal of any façade.
