RUVATI

A PERFECT FIT

New LedgeFit® series by Ruvati boosts flexibility for their workstation sinks

Ruvati brings a new level of functional freedom to the kitchen with their innovative series of LedgeFit® workstation accessories. Customers may customize their sink experience by choosing from 40 accessories that integrate seamlessly into Ruvati's signature ledge design. This impressive flexibility makes it easy to outfit the sink for various purposes, from prepping for a dinner party to washing up after a big meal – and with beautiful natural wood or trendy composite to select from, the LedgeFit collection is as stylish as practical.

What truly sets the LedgeFit series apart is its cross-compatibility: each accessory works seamlessly across all Ruvati workstation sink models. This means a previously purchased Ruvati workstation sink is a perfect match for newly released accessory products, ensuring a workspace that evolves to meet changing needs.

With an inventory of 40 accessories in the LedgeFit series, Ruvati offers something to fit every need in today's busy kitchens. Among the most popular are the new Nova black accessories featuring solid composite construction for heavy-duty use and easy maintenance. The Nova options add a dramatic touch of black to the kitchen and are a smart choice for those looking to transition from standard wood. The dish caddy accessory

INTRODUCING THE MONVISO FREESTANDING TUB FROM THE ACQUABELLA COLLECTION

With a classically perfect shape, Monviso is one of the most transitional tubs in the Acquabella Collection. The tub features a gentle classic oval design with soft rolled lip, modest pedestal, and embossed linear detail around the tub. It celebrates a vintage freestanding tub style, but with a modern twist when crafted from the Acquabella Collection's signature mineral composite material. With solid cast stone construction, the look and feel of this bath communicates substance, quality, and elegance.

Monviso is crafted in the brand's exclusive mineral composite material which consists of organic dolomitic limestone and high-grade casting resin. Its beautiful, non-porous, shock-resistant surface is UV and stain-resistant, durable, and easily maintained, with a white glossy finish and optional exterior colors in matte finish. The tub measures 66.5" x 33" x 24.5", available as a soaker or air bath. Monviso features a classic two-person interior design and high insulating properties to keep the bath water warm longer for extended relaxing soaks and a full-body hydro therapy experience.

Rooted in a strong European design ethic, the international designs of the Acquabella Collection from MTI Baths bring the best of all worlds to customers' bathrooms. The tubs in the Acquabella Collection are a great option for renovation or new build projects where time is of the essence but a luxury mineral composite tub style is desired! CHOCOLATE DREAMS

Isenberg by FLUSSO'S Ziel K-1360 faucet is a sweet addition to the kitchen.

The Pantone color for 2025 is Mocha Mousse – and Isenberg by FLUSSO offers a faucet finish that perfectly aligns with this trending hue: Dark Tan. The finish is light and decadent, with a natural tone, making it the ideal finishing touch for an exceptional kitchen design.

The Ziel K-1360 model brings a sleek vibe to the kitchen with its graceful high-arched spout. Colorful finish options amp-up the drama – the brand offers 20 shades ranging from sky blue, army green, and deep red, to more neutral options like distressed black, steel gray, and their own version of mocha.

The sleek Ziel faucet is a practical chameleon with a clean look that will become the focal point of any kitchen. It is constructed
