SOLID COMPOSITE CUTTING BOARD

RUVATI[®]
SPECIFICATION SHEET

Material: Food-safe Solid Composite
Size: 17-1/4" (length) x 11" (width) x 3/8" (thick)
Compatible with all LedgeFit Ruvati sinks

CARE INSTRUCTIONS

Cleaning: Hand wash the cutting board with soap and hot water or run it through the dishwasher.

Disinfecting: You can disinfect the board by soaking it for 2 minutes in a solution of two teaspoons of bleach and one gallon of water.

Deodorize: Wet the board and sprinkle it with baking soda. Let it stand for a few minutes then rinse it in water.

Scratches: The textured concrete finish resists scratches and is completely non-porous.

Heat: Do not expose the cutting board to hot surfaces, or put in an oven or microwave.
